

## Enrolling Your Child at Community Oral Health

As your child starts school, you may be already attending an oral health clinic for check-ups by our friendly therapists. If you are not already enrolled and attending a clinic, please call free **0800 825 583** and ask for your nearest oral health clinic.

### Locations of Oral Health Clinics

Our clinics are located across Nelson/Marlborough region.

<i>Motueka</i>	<i>Parklands School, Pah St (or access from Talbot St)</i>	<i>03 539 5311</i>
<i>Richmond</i>	<i>Henley School, 56a William St</i>	<i>03 539 5320</i>
<i>Stoke</i>	<i>Nayland Primary School, 225 Nayland Rd</i>	<i>03 539 5321</i>
<i>Nelson</i>	<i>Corner Franklyn &amp; Tipahi Sts (parking off Tipahi St)</i>	<i>03 539 5324</i>
<i>Blenheim</i>	<i>Corner Nelson and McLauchlin St</i>	<i>03 520 9922</i>

**OR call free 0800 825 583 for enquiries and bookings at all clinics.**

### Mobile clinics

Provide care for children in rural communities. Please enrol at the nearest clinic.

### Complete an Enrolment Form

[Child oral health service - Te Whatu Ora - Nelson Marlborough \(nmdhb.govt.nz\)](http://nmdhb.govt.nz)

### Eligibility for Free Care

If one or both parents were born in New Zealand, your child can have free check-ups and treatment while they are under 18 years. Some other children can also access free care. Please contact the clinic for more information.

### Have you Moved into the Nelson/Marlborough Area?

If your family/whanau or child/tamaiti has moved locally or from elsewhere in New Zealand, please ring 0800 825 583 so we can update your details and offer appointments.

### How Care Is Provided

Once enrolled the clinic will contact you when your child is due for an appointment. Parents must accompany their children to these appointments to provide consent for treatment if required. If your child is in pain or you have concerns and questions between appointments, please feel welcome to contact the clinic.

At the end of Year 8 children transfer to free Adolescent Oral Health care with a private provider (care is free until age 18). The clinic will arrange this with you.
